CAPABILITY STATEMENT

Spare parts, wear parts and consumables for West African mines and quarries, sourced directly from manufacturers.

E-BROTHERS is an international trading company registered in France, with representation in China and the United States. We serve mining sites in Côte d'Ivoire through procurement tenders and are expanding to Ghana, Burkina Faso, Mali, Senegal and Guinea.

Why buyers choose us

Competitive pricing
Bought directly from manufacturers, no needless middlemen.

Short lead times
Often shorter than standard distribution channels.

OEM or aftermarket
Both options quoted, specifications compared.

Quotes within 72 hours
From a part number, a drawing or a nameplate photo.

One point of contact
From quotation to shipment tracking.

What we supply

Crushing and screening
Jaw plates, mantles, concaves, hammers, blow bars, screen meshes

Heavy equipment
Caterpillar, Komatsu, Volvo and other makes: undercarriage, hydraulics, engine parts

Wear parts
Wear plates, liners, bucket teeth and adapters

Drilling
Bits, rods, DTH hammers

Consumables
Filters, lubricants, OTR tyres

Transport and site
Lowbed trailers, generators, PPE

Not on the list? Send us the requirement: we source beyond these families.

West Africa experience

We have supplied tyres, Caterpillar equipment, trailers and crusher parts to operations in West Africa, including mining sites in Côte d'Ivoire awarded through competitive procurement tenders.

> **Recent example:** crusher wear parts for a gold mining operation in Côte d'Ivoire, won against competing suppliers on price and lead time. Client name withheld at the client's request.

On the ground with our manufacturers

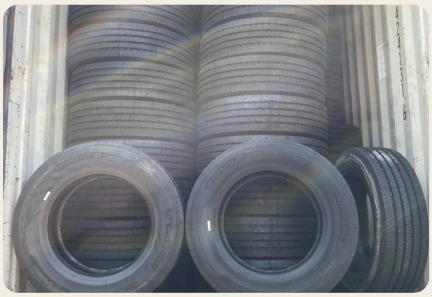

We visit our manufacturers and inspect parts before shipment.
