Why buyers choose us

Competitive pricing
Bought directly from manufacturers, no needless middlemen.

Short lead times
Often shorter than standard distribution channels.

OEM or aftermarket
Both options quoted, specifications compared.

Quotes within 72 hours
From a part number, a drawing or a nameplate photo.

One point of contact
From quotation to shipment tracking.

How we work

01 — Request
Part number, specification, quantity and delivery point.

02 — Quote
Firm price, lead time, Incoterm and warranty within 72 hours.

03 — Order
PO and payment confirmed; we order from the manufacturer.

04 — Shipment
Sea or air freight with full shipping documents.

05 — Delivery
Tracked to the port; customs cleared by the buyer or arranged on request.

On the ground with our manufacturers

Jaw crusher

Parts inspected before shipment

Tyres loaded in a container

Need a part quoted?

Send the part number or a nameplate photo and get a firm quote within 72 hours.
